Students are ***strongly advised*** to check with the program they plan to apply to for specific prerequisites.

Entrance exam requirements:

Check with the program you plan to apply to for specific (if any) entrance exam requirements.

What factors are considered in the admission process for dental hygiene program students?

1. The completion of the prerequisites for the program. Students must complete 60 hours (GRU) or 45 hours (Clayton State) of General Education (A-F) before applying for Dental Hygiene programs.
2. An overall minimum GPA of 2.5 is required (this includes all coursework that has been attempted except for health, PE, orientation, and learning support courses).
3. Quality of the admissions essay.
4. Letters of recommendation.
5. The Committee considers other factors such as health care and research experiences, leadership, community services or programs, family responsibilities, national recognition, ethnic or cultural backgrounds and commitment to practice in Georgia or health shortage areas.
