

GGC AP-CLEP Policy

Georgia Gwinnett College accepts college credit by examination through the College-Level Examination Program (CLEP) the Advanced Placement (AP) Program. The following rules govern the awarding of credit by examination.

1. The maximum credit that can be earned by CLEP or AP examination is limited to 30 semester hours.
2. A student who is currently enrolled in the course or has earned a grade other than a W in the course may not earn CLEP credit for the course.
3. CLEP and AP credits carry no academic grade and are not computed into the grade point average (GPA).
4. Credits earned through CLEP may be transferred from other institutions in the University System of Georgia upon verification that CLEP scores are equal to or higher than those required by Georgia Gwinnett College. Students are responsible for verifying the score by having the College Board send an official score to GGC.
5. Students who failed to achieve the CLEP score necessary to receive credit must wait six months before being allowed to re-test.
