Location
Located just 30 miles northeast of Atlanta in Lawrenceville, GGC spans more than 260 acres in the heart of Gwinnett County. Students live in modern, suite-style residence halls (flat-screens come standard!), and the campus has everything a student needs including a fitness center and a new, state-of-the-art Library and Learning Center. The new Student Center includes a full-service Barnes & Noble and a dining hall.

University
In 1994, Gwinnett County was the largest county east of the Mississippi without a four-year college. So Gwinnett County leaders purchased 160 acres of land and designated it specifically for the development of a college campus. GGC opened its doors in 2006 as the first four-year college founded in Georgia in more than 100 years, and the nation's first four-year, public college of the 21st century.

Students
Already, about 11,000 students representing a diverse array of cultures and countries call themselves Grizzlies. The student body is almost perfectly balanced: 54 percent female and 46 percent male. Thirty-seven percent work at least 21 hours per week, thanks to our flexible schedule.

Academics
Choose among 38 concentrations across 14 degree programs:

- Biology
- History
- Business Administration
- Information Technology
- Chemistry*
- Mathematics
- Criminal Justice/Criminology
- Nursing*
- Early Childhood Education
- Political Science
- English
- Psychology
- Exercise Science
- Special Education

*New starting fall 2014

Student Life
There are more than 100 clubs and organizations and eight intramural programs to choose from – indoor flag football, dodgeball, sand volleyball, racquetball, tennis, basketball, indoor soccer, golf and tennis. The best part is this – if you don't see one you like, you can create your own. We're also excited about our intercollegiate athletics program, which began in fall 2012. Go Grizzlies!

Affordability
In-state tuition is currently about $118 per credit, and full in-state tuition is capped at less than $1,775 per semester. In addition to the HOPE Scholarship, students can qualify for federal financial aid, including the Pell Grant and the Stafford Loan, among others. GGC's Office of Financial Aid will be glad to help you find funding. The way we see it, cost should never be a factor in getting a great education.

#5 US News & World Report Southern public regional college
30 miles from downtown Atlanta
23 is our average class size
95% of students receive financial aid
6 intercollegiate sports
about 11,000 students at the University
System of Georgia's largest institutions and 1 of its most diverse student bodies

THIS IS NOT YOUR TYPICAL COLLEGE
Georgia Gwinnett College was designed and built around YOU, the student. Small class sizes and engaged professors provide a private college experience at a public college price. Cutting-edge facilities, engaging student programs and a global curriculum were made all for you.

AND IT SHOWS IN EVERYTHING WE DO

We love it when students succeed. So much so, that we’ve established our own custom student success program to give you help whenever you need it. Free tutoring, mentors, honors programs and a residential learning experience are just a sample of what we have to offer.

Simply a better value

High tuition and the prospect of outrageous student loan debt shouldn’t stand in your way of getting a college degree. That’s why we keep costs down and standards high. You simply can’t beat GGC’s price tag. Find out how affordable college can be at www.ggc.edu/tuition.

23

That’s our average class size. You, plus 22 other students working and learning together. You won’t find huge lecture halls on campus, and professors (who also act as mentors) will know you by name. Have a question out of class? Need one-on-one help? Just text your professor, who will text you back. Simple. Innovative. Different. How many other colleges promise that?

I’m inspired! Tell me more.

Please print legibly.
