### What factors are considered in the admission process for Physician Assistant students?

1. Cumulative undergraduate GPA 3.0 and undergraduate Natural Science GPA of 2.75 or better.
2. Completion of a Bachelor’s of Science/Arts degree from an accredited university is required by most PA programs.
3. Official GRE scores must be submitted from all sections of the general test.
4. Three references – one from a PA or physician, one from a college/university instructor, one additional non-relative.
5. Clinical experience demonstrating direct patient care (1,000-5,000 hours preferred).
6. The student should have observed physician assistants in a variety of PA clinical settings.
