Courses required for admissions to most RT programs	BIOL 2451K <i>and</i> BIOL2452K (Human Anatomy and Physiology I & II w/Lab) BIOL 2516K (Microbiology for Allied Health w/Lab) MATH 2000 (Statistics)
Recommended electives for admissions to most RT programs	PSYC 2500 (Introduction to Developmental Psychology) PHYS 1111K (Introductory Physics I w/ Lab)

Students are **strongly advised** to check with the program they plan to apply to for specific prerequisites.

What factors are considered in the admission process for B.S. in Respiratory Therapy Programs?

1. Prior to enrollment, the applicant must have completed a core curriculum of 60 semester hours at an accredited college or university.
2. A grade point average of at least 2.5 (on a 4.0 scale) on all previous college work and an average of at least 2.5 on math and science courses are required for consideration.
3. Two letters of recommendation are required.
4. Current CPR and first aid certification is required prior to enrollment at most RT Programs. CPR for Professional Rescuers is strongly recommended.
5. Applicants are required to shadow respiratory therapists at health care facilities in their area to increase their awareness of the profession.
