MIS Academic Map - NIGHT

Management Information Systems Concentration (NIGHT only)

ID:			_

Name:

This academic map is a suggested four-year schedule of courses based on degree requirements in the GGC catalog with the student taking night classes. Note that all suggested classes may not be offered every semester or in the summer at night. This sample schedule serves as a general guideline to help build a full schedule each term. *Missing milestones could delay your program.* [@ Required course for MIS Concentration]

This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements. Also see the current undergraduate catalog for a complete list of requirements, electives, and pre-requisites. Note: Requirements and offered night courses are continually under revision. There is no guarantee they will not be changed, revoked, or not offered in the desired semester; contact the department and/or program area for current information. Specific courses may not be offered as planned. Created based on the GGC MIS Concentration requirements.
