

You are ready to apply to the GGC Nursing program when you can check “Yes” to all of the following:

Yes	No	Nursing Requirement
		<p>I have completed all Areas A-F (either at GGC or through transfer credits), or I have only one semester of Areas A-F courses remaining.</p> <p><i>Note: You cannot take any remaining sciences or Area F courses in the semester prior to entrance into the Nursing program. (typically summer for Fall applicant)</i></p>
		<p>My sciences, including labs, are NOT more than six (6) years old.</p> <p><i>Note: This includes anatomy, physiology, chemistry and microbiology courses.</i></p>
		<p>I have taken the TEAS test within the past year, or I plan to take the TEAS test prior to the Nursing application deadline.</p>
		<p>I meet the GPA requirements and all other requirements outlined on the Nursing Program website.</p> <p><i>Note: The minimum GPA is 2.5, overall. This is your cumulative GPA based on every course attempted. The minimum science GPA is 3.0.</i></p>

If you are still uncertain about if you are ready to apply to the GGC Nursing program, please email shsadvicing@ggc.edu prior to submitting an application.
