This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or your degree requirements. See the current catalog for a complete list of requirements, electives, and pre-requisites. *Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact the department or program area for current information. Specific summer courses may not be offered as planned. This map was created based on the GGC Program requirements.*
