Public Affairs 2013-14

The Office of Public Affairs serves as the college-wide hub for communications, marketing, creative services, publications and media relations. Whether developing unique relationships with the community, communicating to Georgia Gwinnett College's vast array of external and internal constituencies, or creating a broader, deeper and more complete understanding of GGC, each and every activity of the office supports the College's mission.

GGC Website Usage information, provided by the Office of Public Affairs, is generated by Google Analytics. The selected date range of the statistics is based on a fiscal year July 1-June 30.

Visits: A visit is a group of interactions that take place on a website within a given time frame. A single visit starts when the Google Analytics tracking code is triggered on a user's entrance to the site. It ends when one of the following situations occurs: user leaving the site; expiring of a session (after 30 minutes of inactivity); end of day expiry.

Unique Visitors: The number of individual (non-duplicate) visitors to a site over the course of a specific time period. This data is determined by cookies that are stored in visitor browsers.

Pageviews: A pageview, a view of a page, is an instance of a page being loaded by a browser. Repeated views of a single page are also counted.

Pages per Visit: This shows how many pages a visitor makes in one visit, measuring how deep the average visits to your site is.
