MISSION

Committed to serving as a steward to GGC’s mission, the mission of the Office of Student Housing and Residential Education is to foster holistic student development and to ensure a safe environment is provided to each student’s educational experience.

Guiding Principles:
To ensure our mission is achieved, the Office of Student Housing and Residential Education will encourage intellectual curiosity, embrace diversity, and inspire social responsibility. Furthermore, the Office of Student Housing and Residential Education will remain vested in the guiding principles of relational leadership (Build), community standards (Inspire), and leading through service (Serve).

RESIDENT RESPONSIBILITY FOR HOUSING POLICIES AND PROCEDURES

It is the responsibility of the resident to read and understand the materials and directions in their housing contract, the Student Housing and Residential Education (SHaRE) Community Guide, GGC Student Handbook, and Student Code of Conduct as well as official emails, posters, policy changes or written/verbal correspondence issued by GGC Student Housing and Residential Education (SHaRE) or its agents. A claim of lack of awareness of policies and procedures does not excuse any violations of such.

GENERAL INFORMATION

ACCESS CONTROL
Students will access the building and their suite through swipe of the Claw Card. Individual access to assigned rooms will be handled through traditional lock and key. Claw Card use will be monitored through the Student Housing and Residential Education (SHaRE) Office RL 1125.

DINING SERVICES
All residents are required to purchase a residential meal plan. For information, contact GGC Dining Services at 678.407.5860 or visit Dining Services. If a student would like to change their meal plan, they should respond to the email sent by Auxiliary Service. Late move-ins have the opportunity to select/change their meal plan by move in date.

EMAIL COMMUNICATION
Email is GGC’s official method of communication. GGC regularly distributes official communication to residents via their GGC email accounts. Check your account regularly for important housing information regarding room sign-up, break schedules, checkout procedures and other announcements. Every student is responsible for information sent to them via their GGC email account.
EMERGENCY ALERT NOTIFICATION SYSTEM
Georgia Gwinnett College is committed to the safety of our students, staff, and faculty. Communication is an important component of campus safety and a part of our communication plan includes an alert notification system. Email participation is mandatory for all GGC students, staff and faculty. We also require that each participant provide either a cell phone number for SMS based text messages or a phone number for a voice message alert at a minimum.

ENVIRONMENTAL SUSTAINABILITY
G GC Student Housing and Residential Education (SHaRE) recommends its residents develop and maintain ecologically sustainable living habits. This includes, but is not limited to, turning off unnecessary electrical appliances, minimizing use of water, and recycling. For example:

• Never leave computers, stereos, televisions, and lights on when you are not home.
• Take short showers.
• Report all maintenance issues to GGC Student Housing and Residential Education (SHaRE) (RL 1125) by using the Residence Life Maintenance Request online.
• Always use compact florescent light bulbs as they last longer than incandescent bulbs, and they use only one quarter of the power.
• Develop good sustainable living habits and encourage your friends to do the same. Everyone will benefit.

G GC Student Housing and Residential Education (SHaRE) enthusiastically recommends purchasing appliances that have been designated as ENERGY STAR® products. ENERGY STAR® products are the same or better than standard products, only they use less energy. This helps to reduce electrical loads, thereby extending the electrical capacity of the circuit in your space. These products also help protect the environment by reducing the need for harmful emissions from power plants. For more information visit: www.energystar.gov. Also, refer to the Fire Safety section of the Housing Code of Conduct found later in this guide for approved appliances.

FIRE SAFETY SYSTEMS
All residence halls are equipped with fire suppression and detection systems. All rooms are equipped with automatic sprinkler system heads. If the sprinkler heads are tampered with (e.g. hanging items from them), they may engage the sprinkler system causing significant water damage to the building, College property, and student possessions. Do not tamper with or hang items from sprinkler heads. For more information, see Community Standards section. Smoke detectors are in each residence hall room and should never be disconnected or covered. See Maintenance Requests section for more information.

GENDER-INCLUSIVE HOUSING
Gender-Inclusive Housing for Georgia Gwinnett College is defined as a housing option that maintains an open-unbiased opportunity for students desiring to live in housing. This option is a choice that must be selected by all parties in order to be considered for gender-inclusive housing and for roommates to be paired. It is important to reiterate here that gender-inclusive housing is voluntary and students
must select the gender-inclusive housing option prior to being assigned into a gender-inclusive community. Those who do not select this option will not be placed in Gender-Inclusive Housing. Lastly, partners (residents involved in a romantic relationship) are discouraged from residing together. Please contact the Student Housing and Residential Education (SHaRE) Office (RL 1125) for more details.

**IMMUNIZATIONS POLICY**

Students must be identified as a resident of GGC Housing to receive a Claw Card with housing accessibilities. Once the Claw Card is received from the Claw Card Office, residents must go to the Student Housing and Residential Education (SHaRE) Office (RL 1125) to have the Claw Card programmed to the building and the individual suite. **DO NOT ALTER THE CLAW CARD IN ANY WAY, SUCH AS A HOLE-PUNCH, AS THIS WILL RENDER YOUR CARD USELESS.**

Access to individually assigned bedrooms will be handled through traditional lock and key. Residents are issued a key to their assigned room. If a resident misplaces their hard key, they should report it to the Student Housing and Residential Education (SHaRE) Office (RL 1125). **Keys lost by residents will result in a required Lock Security Program**
fee of $180 ($100 per core replacement, $50 per key replacement and $30 for labor) even though the lost key may later be found. College keys may not be duplicated.

Residents are strongly encouraged to lock their suite doors and their individual room doors to protect the security of their belongings.

COMMUNITY LIVING STANDARDS

INTRODUCTION
Choosing to be a member of GGC’s student residential community is choosing to live in a richly diverse setting that encourages all people to realize their fullest potential. Such a community must allow for many opinions and beliefs, recognize and respect individual differences, and offer a level of personal security that fosters growth. We all arrive on campus with varying degrees of knowledge and understanding about people different from ourselves, and the opportunity to learn about others is one of the great benefits of life at Georgia Gwinnett College.

Refer to GGC Equal Opportunity, Affirmative Action, Prohibited Discrimination and Harassment Policy which can be found in the Student Handbook in its entirety the Student Handbook.

GGC Student Housing and Residential Education (SHaRE) offers a community that encourages residents to develop the personal skills and perspectives necessary to become positive and productive members of society. A key component of future success is the ability to acknowledge individual differences and ideas.

It is up to each of us to encourage productive interactions and relationships among our community residents; there is much to be taught, learned and shared. So stretch yourself, and get to know someone different from yourself. Learn what another culture is all about. Your experience will be enriched by it.

In addition, the US Department of Education requires that higher educational institutions receiving funds must certify that it has adopted and implements a program “to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees” to comply with the Drug Free Schools and Campuses Regulations (EDGAR Part 86.100, Subpart B.)

9.12.8 RECKLESS SKATEBOARD AND BICYCLE USE

Policy Summary

Georgia Gwinnett College has a responsibility to prevent and deter behaviors that are likely to cause personal injury, property damage, and/or disrupt college operations. This policy bans reckless skateboarding and bicycle use that endanger safety, college property, or threatens normal campus activities. Skateboarding and bicycling are not crimes. However, actions that may endanger oneself or other individuals, damage property, or disrupt the mission of the College are not considered to be harmless activities. The Office of Public Safety is responsible for the safe operation of the campus and may adopt rules or regulations to restrict, or specify the conditions for, the use of bicycles, motorized bicycles, scooters, skateboards, and roller skates/blades on campus.

Reckless Skateboard/Bicycle Use

In the context of this policy, Reckless Skateboarding/Bicycle Use refers to the use of any wheeled vehicle or device in a manner that endangers public safety, threatens college property, or disrupts college operations. This use includes, but is not limited to, maneuvers...
that are aerial or that transition from campus walkways on to stairs, curbs, benches, rails, seating areas, or vice versa, as well as from or to any other elevated constructs. It also includes using skateboards, scooters, roller skates/ blades, and bicycles in ways that clearly create unsafe conditions (e.g., traveling at unsafe speeds, traversing downhill with no method of stopping, etc.). The use of any such device is not permitted in any building on GGC property unless authorized by the Office of Public Safety.

**Fire Concerns/Safety**

Due to fire concerns surrounding Hoverboards, GGC has chosen to prohibit the use, possession, or storage of Hoverboards, Swagways, or similar devices in all GGC buildings. This includes, but is not limited to residence halls, classroom buildings, administration buildings, and indoor recreational facilities. Residential students who own Hoverboards and similar devices shall not bring them to campus due to fire concerns regarding the batteries that operate the boards. Although not prohibited, GGC strongly cautions against storing these products in vehicles.

**Responsibilities**

All students, staff, faculty, and campus visitors are required to use wheeled vehicles in a manner that is safe, respects the rights of others, and adheres to applicable Georgia statutes and other related campus policies. Moreover, the reckless use of skateboards and bicycles, as defined in this policy, is not permitted. Pedestrians have the right of way on sidewalks in the interior of campus. Those individuals using wheeled vehicles are encouraged to walk their wheels in areas of campus where there is high pedestrian traffic.

All faculty, staff, students, and visitors to Georgia Gwinnett College are expected to adhere to this policy and the applicable procedures. All have a collective responsibility to promote the safety and health of the campus community. Effective implementation depends on the respect and cooperation of all members of the College community. Members of the campus community are encouraged to be aware and remain in compliance with the policy. Overall responsibility for the policy includes providing guidance concerning the scope, definitions, requirements, and enforcement.

**Enforcement**

Campus Police are solely charged with the enforcement of this policy by preventing or stopping individuals who are engaged in reckless skateboarding and bicycling activities, as defined in this policy. Campus Police may refer Georgia Gwinnett College student violators to **Student Integrity**, and in the case of Georgia Gwinnett College faculty and staff, to the appropriate Dean or Department Head. In accordance with O.C.G.A. 16-11-35, Campus Police may advise those not affiliated with Georgia Gwinnett College to leave the campus. For comments or questions regarding this policy, members of the campus community and the community at large are encouraged to call Campus Police 678-407-5333 for more information.
4. Damages/Vandalism
Malicious or unwarranted damage or destruction of items of College property; items rented, leased, or placed on the campus at the request of the institution; or items belonging to students, faculty, staff, guests of the College, student groups, or others is prohibited. Residents are responsible for the condition of their suites and rooms and all the furnishings assigned to them. If the suite or room is damaged, or its furnishings damaged or lost, residents are financially responsible and shall reimburse the College. Residents of an individual room or residence hall may also be required to share the expense of repairing or replacing property in common areas (such as living rooms, kitchens, bathrooms, hallways, studies, lobbies, etc.) when such repairs are determined to be above and beyond normal wear and tear. Residents are expected to immediately report any damages/destruction/vandalism to the GGC Residence Life Office (RL 1125).

Charges for damages and cleaning will be determined by the College; repairs or replacement of items may not be done by residents. 15. Pets

16. Support Animals

4.1.5.2 EMOTIONAL SUPPORT ANIMALS

Georgia Gwinnett College (GGC) is committed to making reasonable accommodation to afford people with disabilities an equal opportunity to access its programs, services, and activities.

Definitions
A. Pet
A “pet” is any animal kept for ordinary use and companionship. Service animals and emotional support animals, as defined below, are not considered pets. Pets are prohibited indoors on the Georgia Gwinnett College campus.

B. Service Animal
A “service animal” means any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of a person with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the person’s disability. The provision of emotional support, well-being, comfort, or companionship does not constitute work or tasks for the purpose of this definition. For definition of Emotional Support Animals please see below.

Service animals will be permitted to accompany people with disabilities in all areas of GGC’s facilities where students, members of the public, and other participants in services, programs or activities are allowed to go. GGC does not
require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal. Additionally, GGC cannot ask about the nature or extent of a person’s disability to determine whether a person’s animal qualifies as a service animal. However, when it is not readily apparent that a dog is a service animal, GGC faculty and staff may make two inquiries to determine whether the dog qualifies as a service animal, which are:
   a) Is the dog required because of a disability?
   b) What work or task has the dog been trained to perform?
For additional information, please contact the Office of Disability Services.

C. Service Animal In Training
Georgia law allows animals that are being trained to be service animals to access GGC Facilities.

D. Emotional Support Animals
“Emotional support animal” is an animal that provides emotional support that eases one or more identified symptoms or effects of a person’s disability. Unlike service animals, emotional support animals are not trained to perform work or tasks, and they include species other than dogs and miniature horses.

Emotional support animals are not allowed to accompany persons with disabilities in all areas of GGC, but they may reside in Residence Life with people with disabilities. Before an emotional support animal can move into GGC Residence Life with a person with a disability, a request must be submitted to GGC’s Office of Disability Service and approval must be granted (preferably at least 60 days prior to move in). Requests must include documentation from a licensed physician or mental health provider, and must meet the documents criteria set forth on the GGC website (link will be provided later)

Responsibility
GGC is not responsible for the care or supervision of service or emotional support animals. People with disabilities are responsible for the cost, care, and supervision of service and emotional support animals, including:

- compliance with any laws pertaining to animal licensing, vaccination, and owner identification;
- keeping the animal under control and taking effective action when it is out of control; and
- feeding and walking the animal, and disposing of its waste.

Owners are required to bag waste and dispose of in outdoor receptacle bins/dumpsters. Do not use the building internal trash chutes.

GGC will not require any surcharges or fees for service animals or emotional support animals. However, a person with a disability may be charged for damage caused by a service animal or emotional support animal to the same extent that GGC would normally charge a person for the damage they cause.
People with disabilities who are accompanied by service animals or emotional support animals must comply with the same College rules regarding noise, safety, disruption, and cleanliness as people without disabilities.

Exceptions and Exclusion
GGC may pose some restrictions on, and may even exclude, a service animal or emotional support animal in certain instances. Restrictions or exclusions will be considered on a case-by-case basis in accordance with applicable laws, but an animal may be excluded if:

- it is out of control and effective action is not taken to control it;
- it is not housebroken (or in the case of a support animal that deposits waste in a designated cage or litter box, the owner fails to clean such cage or box such that the cleanliness of the room is not maintained); or
- it poses a direct threat to the health or safety of others that cannot be mitigated by reasonable modifications of policies, practices, or procedures, or the provision of auxiliary aids or services.

In considering whether an animal poses a direct threat to the health or safety of others, GGC will make an individualized assessment, based on reasonable judgment, current medical knowledge, or the best available objective evidence, to determine: (1) the nature, duration, and severity of the risk; (2) the probability that the potential injury will actually occur; and (3) whether reasonable modifications of policies, practices, or procedures will mitigate the risk.

In the event that restriction or removal of an assistance animal is determined to be necessary, the person with a disability will still be given the opportunity to participate in the service, program, or activity without having the assistance animal present. The person may also contact the Office of Disability service to reevaluate their reasonable accommodation(s).

Etiquette for Members of GGC Community
To ensure equal access and nondiscrimination of people with disabilities, members of the GGC community must abide by the following practices:

- Allow assistance animals to accompany people with disabilities on campus;
- Do not ask for details about a person's disabilities;
- Do not pet an assistance animal, as it distracts the animal from its work;
- Do not feed an assistance animal;
- Do not deliberately startle, tease, or taunt an assistance animal; and
- Do not separate or attempt to separate a person from their assistance animal.

If you have a disability that may be affected by the presence of animals, please contact the Office of Disability Services. GGC is committed to ensuring that the needs of all people with disabilities are met and will determine how to resolve any conflicts or problems as expeditiously as possible.

HOUSING ASSIGNMENTS INFORMATION

Housing Contract
All residence hall students are required to sign a GGC Student Housing and Residential Education (SHaRE) Contract. The GGC Student Housing and Residential Education (SHaRE) Contract defines the terms and conditions of occupancy, the housing pricing structure, and procedures for termination of the contract. It is each resident’s responsibility to be familiar with the content of the contract.

Resident’s who wish to appeal their housing contract while remaining enrolled at the College must submit their appeal online at Student Complaints and Appeals. Residents are bound by the terms of the contract unless otherwise approved by the College. For more information, contact the GGC Student Housing and Residential Education (SHaRE) Office (RL 1125).

To be eligible to live in a College residence hall, undergraduate students are required to be currently enrolled in at least one class. Residents must have a zero balance and be paid in full as determined by the college prior to move-in. Dual Enrolled students are not eligible to live in campus housing.

Yearly Housing Calendar
College residence halls open as announced in publications prior to the fall term. During Winter Break the residence halls will be closed. Please contact the Student Housing and Residential Education (SHaRE) Office for additional information.

Move In/Out Procedures
Move-In information is sent to students. When a resident moves into their assigned space in GGC Student Housing and Residential Education (SHaRE), they will receive a copy of their Unit Condition Form (UCF). It is the responsibility of the resident to check their room carefully upon move-in to ensure that the information cited on the UCF coincides with the actual condition of the room. If there are any discrepancies between the UCF and the actual room conditions, the student must notify the Student Housing and Residential Education (SHaRE) Office (RL 1125) within 24 hours of checking in.

Anytime a resident moves out, whether moving off-campus, leaving GGC, or transferring to another hall, the resident is expected to follow the appropriate check out procedures outlined by Student Housing and Residential Education (SHaRE).

Failure to complete these tasks at check-out will result in additional charges:

1. Remove all your belongings and clean your room, bathroom and suite, including common rooms. The Student Housing and Residential Education (SHaRE) office will then check the room against the UCF for damages and/or cleanliness.
a. If there are any damages and/or cleaning charges/fines, they will be noted on the UCF. The damage charges will be assessed by Housing personnel. Failure to pay damage costs will result in the hold being placed on the resident’s records, transcripts, and registration. Further class attendance may be blocked until the account is balanced.

2. Complete the Resident Check Out Form and Exit Survey located in the SHaRE office, Building 1000, Suite 1125.

3. Place your room key and Exit Survey in the envelope, seal the envelope, and give your envelope to the assistant at the desk. After hours, slide the envelope under the office door.

It is important to note, residents that break their contract early will be assessed the Early Termination fee of $500. For additional information about early termination, please refer to your housing contract.

Room Assignments
Assignments for all students will be determined by the GGC Student Housing and Residential Education (SHaRE) Office (RL1120).

Reassignment of Space
GGC Student Housing and Residential Education (SHaRE) Office (RL 1120) may reassign students to other spaces, rooms, or halls when it’s deemed to be in the best interest of community, or when it’s determined that a student is not actually residing in his or her assigned space.

Room/Suite Changes
Residents who wish to move to a different room or suite must make a request to the GGC Student Housing and Residential Education (SHaRE) Office (RL 1125). An open room change process will be held at the beginning of the fall and spring semesters. Room changes may be granted throughout the year for exceptional circumstances. Residents who change rooms during the year, leave the halls, or begin residency once the term begins should be sure to follow all published check-in or check-out procedures.
